The Board of Directors **Eide Bailly Securities LLC** Bloomington, Minnesota

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheets of Eide Bailly Securities LLC (a limited liability company) as of April 30, 2009 and 2008 and the related statements of operations, changes in member's equity and cash flows for the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eide Bailly Securities LLC as of April 30, 2009 and 2008 and the results of operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2009 AND 2008

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Eide Bailly Securities LLC (EBS) is registered as a broker-dealer under the Securities Exchange Act of 1934 and is a member of the National Association of Securities Dealers (NASD). EBS is a registered broker-dealer in the state of South Dakota and is a wholly-owned subsidiary of Eide Bailly Financial Services, LLC.

The majority of EBS commission revenue is earned from a broker-dealer, which executes securities transactions including the sale of oil and gas interests, mutual fund investments and transfers on behalf of customers and also includes regulated life insurance products, such as variable annuity contracts and variable life insurance policies.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents

EBS includes demand deposits in the category of cash and cash equivalents as presented in the cash flow statement.

Commissions Receivable

Receivable from affiliated broker represents accruals for commission amounts due from one broker-dealer. It is the EBS' policy to use the reserve method to write off uncollectible accounts. Amounts not paid within 30 days are considered past due. There were no material amounts over 90 days past due as of April 30, 2009 and 2008. Management anticipates no substantial losses from present receivable balances. Therefore, there is no balance in the reserve at April 30, 2009 and 2008.

Revenue Recognition

Commission revenue and related expenses for mutual fund and securities transactions and variable annuity contract purchases are recorded on a trade-date basis. Commission revenue for life insurance policies are recorded when the insurance company approves the policy.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

EBS is organized as a limited liability corporation, wherein the members of EBS are taxed on their proportionate share of income, and no provision for income taxes is reflected in these financial statements.

NOTE 3 - NET CAPITAL REQUIREMENTS

EBS, as a registered broker and dealer in securities, is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1).

Under the computation provided by the Uniform Net Capital Rule, EBS is required to maintain net capital equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At April 30, 2009, EBS had net capital, as computed under the rule, of \$99,971 and its ratio of aggregate indebtedness to net capital was .048 to 1.

EIDE BAILLY SECURITIES LLC NOTES TO FINANCIAL STATEMENTS APRIL 30, 2009 AND 2008

NOTE 4 - RELATED PARTIES

EBS has a single member owner, Eide Bailly Financial Services, LLC (EBFS) which is a holding company for various financial service entities. All indirect operating expenses of EBFS' related entities are paid for by EBFS including all compensation and related employee costs of financial services representatives. Direct expenses incurred and paid by EBS and EBFS through the Affiliate Expense Agreement between EBS and EBFS and certain expenses incurred by EBFS that are beneficial to the operations of EBS are allocated to and reimbursed by EBS and are recognized in the financial statements of EBS. As of April 30, 2009 and 2008, EBS owes \$0 and \$20,192, respectively, to EBFS for these expenses, which is recorded as a liability.

EIDE BAILLY SECURITIES LLC SUPPLEMENTARY INFORMATION

Going beyond what MUST be done...to what CAN be done.®

Board of Directors **Eide Bailly Securities LLC** Bloomington, Minnesota

In planning and performing our audit of the financial statements and supplemental schedules of Eide Bailly Securities LLC (the Company) for the year ended April 30, 2009, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- Making quarterly securities examinations, counts, verifications and comparisons. 1.
- Recordation of differences required by rule 17a-13 2.
- Complying with the requirements for prompt payment for securities under Section 8 of 3. Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

An Equal Opportunity Employer

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or a combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

We did not identify any deficiencies in internal control that we consider to be material weaknesses nor significant deficiencies, as defined above.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we considered to be a material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at April 30, 2009 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
